

Sher-e-Kashmir University of Agricultural Sciences and Technology (SKUAST-K), Srinagar.

Date: 29/07/25

A delegation of 40 students from classes IX to XII of our school enthusiastically participated in the **I.I.M.U.N Srinagar** chapter hosted at **SKUAST** under the inspiring "**Role Model Series**". This event brought together young delegates from 15 different schools to engage in structured interactive sessions with the 4 renowned personalities of Jammu and Kashmir- **DR Khuroo, DR Sehrish Asgar, Mr Waheed Para and DR Farooq Abdullah**. The role model series aimed to empower students to emulate national leaders in diplomacy, governance and policy making. The event was designed not just to discuss and debate upon various issues but to instill leadership values and inspire participants to become role models in their own right.

Highlights of the event:

1. Participation of 600 students from 15 different schools of 15 different districts of Jammu and Kashmir.
2. In depth discussions on national and global issues with well researched positions.
3. Students displayed outstanding debating and questioning skills.

4. Encouragement to adopt values of integrity, responsibility and leadership in line with the **Role Model series**.

5. Valuable peer learning and interaction with students from other institutions.

Take away from the event:

1. Support and uplift the people in the back row of your class.
2. Keep your life in the service of humanity and be a good human being.
3. See the possible solutions of every problem.
5. Don't blame yourself, you are the first one to support yourself.
6. Don't compare children, every child is different.
7. Life is all about timing and decisions.
8. When our focus and timing are right, success follows.

The event was a transformative learning experience that enhanced the student's confidence, critical thinking and global awareness and aligns with our vision of nurturing globally aware, responsible citizens and future leaders.
